THE SECRET OF SUCCESS

Genuine Morit Required to Win the People's Confidence

Have you ever stopped to reason why it is that so many products that are advertised and sold at once drop out of sight and are soon forgotten? The answer is simple. They do not fulfill the promise of the manufacturer. They are not of the quality that the consumer expects. A medicinal product must sell itself, as like an endless chain of events, the remedy is recommended by those who have been benefited by it. The consumer is not a patient, but a person who is in need of it. A prominent druggist says: "Take for example Dr. Kilmor's Swamp-Root, a preparation I have sold for many years. It has been the remedy for almost every case it shows excellent results. It is the only remedy that I have seen that is so large a sale."

According to sworn statements and verified testimony of thousands who have used the preparation, the Swamp-Root of Dr. Kilmor's Swamp-Root is due to the fact that it is the only remedy which in overcoming kidney, liver and bladder troubles, corrects the urinary tract and neutralizes the uric acid which causes rheumatism.

You may receive a sample bottle of Swamp-Root free of charge. Address Dr. Kilmor & Co., Birmingham, N. Y., and they will send you a free copy of the Atlanta Daily Constitution.

Both kinds are delicious, cost per cup about the same, sold by Grocers everywhere.

Apple Pie

Not the sad, discouraged kind—pale and flat, with a linoleum crust on the bottom and a leatheroid crust on top—not that by any means!

What we mean is a regular Apple Pie, 24 karats fine, with a crust as crisp and light as a morning song and all bulged up in hills and ridges by the goodness down inside, with the juice oozing out at the edges an up through the fork-pricked holes on top, and with that wonderful flavor that you can only get by the combination of apples and sugar, a touch of spice, and a crust that's made for the gods.

It's great to be able to make pie like that. It's better than golfing and dancing the tango and winning at bridge all rolled into one. Only don't attempt it with inferior materials.

Don't lose that last final touch that marks the difference between "pretty good" things and those that are triumphs of the Baking Art. When you pick out the flour to make your Apple Pie, get the best that ever went into a pie crust—

IMPROVEMENT BONDS PROPOSED IN MACON

Issue for New Hospital, Sewerage and Paving Considered by Council.

Macon, Ga., December 14.—(Special.) The proposed county bond issue of \$100,000 having recently been defeated along with \$500,000 worth of bonds for other improvements, it is now proposed that the city shall issue bonds in the sum of two or three hundred thousand dollars and erect in Macon a modern city hospital. The plan has not met with the endorsement of many Macon people and if it is approved, by council tomorrow night the voters will be given a chance to express themselves on it.

Council is expected to act favorably tomorrow night on a proposed bond issue of \$200,000 for street paving and sewerage, and it is believed that the hospital bonds will be approved at the same time. If that is the case the total issue of bonds to be voted on will be in the neighborhood of \$500,000.

It is proposed that council shall call a special election in February, at which a special registration will be held, the books to be opened January 1. With a special registration for that specific purpose it is not thought there will be any trouble in carrying the bonds, especially as the improvement bonds, in addition to being badly needed, will furnish employment to many men now out of work.

YANKIES BOUGHT BY JACOB RUPPERT

Price About \$450,000—Report Is Current That Hugh Jennings Will Be Ruppert's Choice for Manager.

French Lick, Ind., December 14.—The New York American league club has been sold to Colonel Jacob Ruppert. The price is about \$450,000. Colonel Ruppert will not acquire any interest in the Federal league.

This is the substance of statements here today by Colonel Ruppert and James A. Glavin, president of the Federal league, who conferred regarding the proposed establishment of a Federal league club in New York. After the conference Colonel Ruppert said:

"I already have taken over the Yankees. The price is the only thing that remains to be settled. This probably will be settled in a few days."

"I am afraid we were too late," said Mr. Glavin. "The Yankees have already been purchased by Ruppert. I shall return to Chicago and try to find another buyer for the New York club."

Mr. Glavin said that Mr. Ruppert had not been considered, but that he had been in the city here tonight that Hugh Jennings, Ruppert's choice for manager, had been selected.

Contracts to be signed. Chicago, December 14.—The actual signing of the contracts for the only new Federal league club, the New York Yankees, was completed here today by Colonel Ruppert and James A. Glavin, president of the Federal league.

Navin to keep Jennings. Detroit, Mich., December 14.—President Frank J. Navin, of the Detroit baseball club, tonight said Hugh Jennings would not manage the New York Yankees next year.

Montgomery may enter the Ga.-Ala. League. Rome, Ga., December 14.—(Special.)—Montgomery, last year in the Southern league, has applied for a franchise in the Georgia-Alabama league. The directors of the league have not yet decided whether to grant the franchise.

The transfer of the Southern franchise of Montgomery to Little Rock, Ark., which franchise was sought, turned down Montgomery's application, and the transfer of the franchise to Little Rock, Ark., which franchise was sought, turned down Montgomery's application.

Nearly 100 entries are expected to contest in the seven events, which are as follows:

30-yard low hurdle.
Standing high jump.

Piedmont wins. Demorest, Ga., December 14.—(Special.)—The young ladies of Piedmont college won the N. C. A. A. team here last night, defeating Dalton team by a score of 15 to 10.

St. Louis, December 14.—Miller James, manager of the St. Louis Cardinals, has signed a contract to continue in that capacity for the 1915 and 1916 seasons.

Colleges of Two Classes Not Debarred From Playing Each Other, Says Randle

Educational institutions belonging to the Southern Intercollegiate Athletic association may hereafter meet each other in football, regardless of whether they play freshmen on their varsity eleven, according to a statement issued here today by Professor W. N. Randle, chairman of the faculty committee on athletics at the Georgia School of Technology.

Professor Randle has just returned from Lexington, Ky., where he attended the annual meeting of the association. He explained, however, that he was present in an unofficial capacity, being the Georgia School of Technology, which is not yet determined whether it will re-associate.

Respects Are Erase. Respecting the action of the convention in providing for divisions of the association, class A not to play freshmen on their varsity eleven and class B to have that privilege, Professor Randle said:

"The convention did not contemplate prohibiting colleges which do not play freshmen in football from playing college football teams."

"No arbitrary division of the association into two classes, as respects the playing or debarment of freshmen on football teams, was made. Institutions will decide for themselves what class they desire to be enrolled in. This decision must be made by July 1, 1915. It cannot then be changed until the football season of 1916, when any college desiring to take such action."

The new amendment to the constitution supercedes the rule that has heretofore been in effect that associations playing or debarment of freshmen on football teams, was made. Institutions will decide for themselves what class they desire to be enrolled in. This decision must be made by July 1, 1915. It cannot then be changed until the football season of 1916, when any college desiring to take such action."

Four Years in Each Branch. A change also was made in the rule governing the length of time a student is allowed to play football. It was decided that a student may engage for four years in each branch.

The Jimmy Pappas-Kid Herman bout scheduled for tonight has been postponed until Thursday night. Kid Herman, one of the principals in the affair, is suffering from a cold, and rather than have a chance of putting over a sick boy, Herman's cold is not a bad cold. He took a cold shower bath after his victory yesterday afternoon, which was the cause of his present condition.

Herman's cold is not a bad cold. He took a cold shower bath after his victory yesterday afternoon, which was the cause of his present condition. There is little doubt that Herman will be in great shape by Thursday night.

Pappas, when told of the postponement, was down-hearted at first. Later, however, the little Greek said he was not at all disappointed, as he was not in the best of health when he was in the ring.

Those holding tickets dated for tonight can use the same for Thursday night. Tickets will continue to sell today and tomorrow and every ticket will be pulled off Thursday night.

Mike Saul took the right step when he postponed the fight. Herman was willing to go on, but when a local physician stated that he was not in the best of health, he decided to postpone the fight.

HUGGINS TO LEAD CARDS IN 1915 AND 1916. St. Louis, December 14.—Miller James, manager of the St. Louis Cardinals, has signed a contract to continue in that capacity for the 1915 and 1916 seasons.

Referee Stops Fight and Declares Burns Winner—Hayes Never Had a Chance. New Orleans, La., December 14.—The referee stopped the fight here tonight between Burns and "Chick" Hayes during the thirteenth round and declared Burns the winner. The fight was scheduled for twenty rounds, and was announced from the ring as the banishment championship.

Hayes did not have a round to his credit, and it was apparent after the second round that he was outclassed in boxing and hitting ability. Burns began the fight with a rush, playing entirely for the body. He shot left and right hooks into the Indian's body and stomach, and at close quarters put telling right hooks to the face.

This terrific punishment took to Hayes during the third round, and in the next two he plainly was feeling the effects of the hard body contact. In the sixth round Burns evidently believed he had won the fight, and he knocked Hayes down. He changed his methods and began fighting for the head. He rocked Hayes repeatedly with hooks and right hands to the face, and played for Hayes' eye, which had been cut in the first round.

That this round Burns seemed to disregard any particular method, and he played for the head. In the eighth, twelfth and thirteenth rounds, Burns again made a variety of the many blows, but remaining about almost helpless the fight.

The promoter staging the fight announced that Burns will be given a belt emblematic of the banishment championship.

GIANTS-PHILLIES DEAL CALLED OFF; BOOIN MAY JUMP. New York, December 14.—The deal between the Giants and the Philadelphia club, involving the sale of Magge and several players under contract to play with New York, has been abandoned, according to Manager John McGraw.

The deal fell through, the Giant leader said, because the Philadelphia club, which was to be given a \$100,000 advance, was not willing to pay the \$100,000 advance.

Manager McGraw considered the deal a "big mistake" and said that he was not willing to pay the \$100,000 advance. He said that he was not willing to pay the \$100,000 advance.

Georgia to play in Chattanooga. Chattanooga, Tenn., December 14.—(Special.)—The University of Georgia eleven will play the University of Tennessee eleven here tonight.

The game will be played at 8 o'clock. The Georgia eleven will be coached by Coach V. H. Starnes, and the Tennessee eleven will be coached by Coach W. H. Starnes.
